

Record of Achievements

Ron Allardice

5 October 2025

On the significant occasion of playing his 500th game for the GBWGC in his 25th season, it is appropriate to recognise Ron's achievements and his magnificent contribution to our great club.

Career Highlights:

- Joined GBWGC at the beginning of the 2001-02 season being Heritage Member Number 7.
- Initially made club Vice-Captain until his promotion to Social Secretary for life in 2004-05.
- As Social Secretary, his energy, creative imagination, innovations and fund raising abilities have provided many a surprise, much laughter, tasty morsels after each round and welcome boosts to the financial bottom line. His hosting of the club's 21st Birthday Celebration was a highlight.
- Fourth member to achieve 500 games during which his golf buggy-pulling days have been replaced by piloting the "Fastest golf cart in the West".
- Responsible for facilitating some of our great memories of trips to Binningup, home of the Winter Trophy and Binningup Open; and the Beach House on the Mornington Peninsula for the many memorable Mornington Masters events.
- A great club man, and Hawthorn tragic, always willing to assist in any capacity.

Notable Club Awards:

- Equal highest number of Club Championship and Match Play successes.
- Is the second highest in number of individual award wins.
- Has proved the master of the Binningup Open being the inaugural winner and currently with the most wins.
- Inaugural and equal highest winner of the Joondalup Classic, one of his favourite courses.
- Is on the exclusive list of Mandurah Masters winners.
- Is the second highest in number of Long Drive wins though a dicky knee may be a future limiting factor.
